

Rodent Baiting Service Preparation Guide.

Thank you for choosing **TCB Pest Control Canberra**

To ensure the best possible results from your treatment and to maintain warranty periods.

We kindly request that all preparation details are followed and treatment areas are clean and tidy before our arrival.

Please carefully read all the preparation instructions and details below.

1. Ensure we can access all problem areas including the roof void, subfloor and any areas that you have noticed activity.
 2. Remove or store away any food sources.
 3. Clean up all rubbish and any debris from inside and outside the property.
 4. Ensure all pets and children are kept away from baiting stations on the day and once we have left.
-

Remember following these preparation steps helps us carry out the treatment safely and effectively.

Your cooperation ensures the best results possible and protection for your property and family

Thank you for your understanding and for helping us give you the best quality service that we can!

Thank you.
